# General Information

---

- **Q&A**

- Every attempt has been made to answer questions received before the PPC; answers are placed on the SMEX acquisition page and/or will be incorporated in the presentations
- To save time, please do not repeat questions you have already asked unless you need clarification on the answers
- New questions will be answered during the conference or later
- Please hold FOSO related questions for the FOSO presentation

- **Recording or soliciting**

- No recording of the conference by attendees is permitted
- NASA will post conference presentations and Q&A's on the SMEX acquisition page after the conference
- No soliciting or distribution of material by vendors is permitted during the conference
